San Francisco

In Decision (D.) 03-07-028, as modified by D.03-08-076, D.04-11-014, and D.04-12-059, the Commission imposed a Cost Responsibility Surcharge (CRS) on Municipal Departing Load (MDL) within the service territories of Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas and Electric Company but deferred issues relating to the billing and collection of the MDL CRS for further consideration. On December 23, 2004, the assigned Administrative Law Judge issued a ruling ordering a technical workshop to be held on January 31, 2005 for purposes of identifying positions and seeking consensus on process and procedures for billing and collection of MDL CRS. At the workshop, participants will have the opportunity to identify positions, respond to opposing proposals, and propose remedies or approaches to satisfy the billing and collection requirements set forth in the above-referenced decisions. For further information, contact Laura Martin of the CPUC's Energy Division by e-mail at LRA@CPUC.CA.GOV or by phone at (415) 703-2149.
